

16TH INTERNATIONAL TRADE SHOW OF BUILDING, CONSTRUCTION MATERIALS AND PUBLIC WORKS

4 to 8 May 2013. Exposition Hall, Pins Maritimes. Algiers

Invitation letter

Dear Partners,

The International Exhibition of Construction Materials of Construction and Public Works (BATIMATEC) which experienced successive fifteenth editions has established over the years the reputation asserted a major event. It is now considered the main international event of the construction market in continental scale.

The next edition to be held 04 to 08 May 2013 at Palais des Expositions des Pins Maritimes in Algiers will gather once again a very large number of professionals and national industrial and foreign partners.

The public investment program of Algeria for the period 2010 to 2014 valued at \$ 286 billion, which includes the construction of 2.5 million lodgings and a large number of infrastructure projects across the country, is of major assets and offers through lounge BATIMATEC 2013, an excellent opportunity to develop business relationships and partenariat. The number of participants registered in the last edition of which was nearly a thousand exhibitors including 488 foreign companies from more than twenty countries and more than 500 Algerian companies will be exceeded this year.

We invite you to participate at the next BATIMATEC exhibition and we will be very pleased to receive your company . The exhibition organizers are mobilized for the next meeting set new attendance records and may proceed as before, in a business environment warm and friendly.

We welcome you !
