

**BIO AGRA 2014**

Dear Sir or Madam,

The third edition of **BioAgra** Trade Exhibition of Organic Farming will be held from 4 – 8 March 2014 within the framework of the 23<sup>rd</sup> International Agricultural Exhibition AGRA. The event is organized in partnership with the **AVALON** Foundation, the Netherlands and the Agroecological Centre at the Agricultural University, Plovdiv.

The organic food market is one of the fastest growing markets worldwide. Bulgaria has great potential to make organic agriculture a leading sector owing to its natural resources, uncontaminated fertile land, suitable climatic conditions, appropriate legislation and regulations, as well as the good reputation of a traditional producer of quality agricultural products

Key exhibition categories of **BioAgra** :

- Organic crop growing and livestock breeding
- Organic non-food products
- Organic farms
- Certification organizations
- Consulting companies
- NGOs
- Organic products trade – organic shops, organic hotels, organic restaurants, etc.
- Special publications and online editions

We would like to invite you to participate in **BioAgra 2014**, the third edition of the Trade Exhibition of Organic Farming.

For any further information, please do not hesitate to contact us.
